## **SBA Offers Disaster Assistance to Massachusetts Residents Affected by the Natural Gas Explosion**

**WASHINGTON** – Massachusetts residents and businesses affected by the Natural Gas Explosion in the City of Springfield on Nov. 23, can apply for low-interest disaster loans from the U.S. Small Business Administration, SBA Administrator Karen G. Mills announced today.

Administrator Mills made the loans available in response to a letter from Gov. Deval L. Patrick on Dec. 5, requesting a disaster declaration by the SBA. The declaration covers Hampden County and the adjacent counties of Berkshire, Hampshire and Worcester in Massachusetts; Hartford, Litchfield and Tolland in Connecticut.

“The SBA is strongly committed to providing the people of Massachusetts with the most effective and customer-focused response possible to assist homeowners, renters, and businesses of all sizes with federal disaster loans,” said Administrator Mills. “Getting businesses and communities up and running after a disaster is our highest priority at SBA.”

“Loans up to \$200,000 are available to homeowners to repair or replace damaged or destroyed real estate. Homeowners and renters are eligible for loans up to \$40,000 to repair or replace damaged or destroyed personal property,” said Frank Skaggs, director of SBA’s Field Operations Center East in Atlanta. “SBA’s customer service representatives are on hand at the Disaster Loan Outreach Center to issue loan applications, and assist survivors with completing their applications,” Skaggs added.

The center is located in the following community and is open as indicated:
